

## **Nyack Climate Smart Committee Meeting January 2, 2024**

Attendance: Steve Cea, Marcy Denker, Andy Stewart, Doug Kaufman, Shelly Kaufman, Liz McGrory, Yvonne Rode, Glenn Sungela, Tristan Schwartzman, Peggy Kurtz

### **I. Clean Energy Communities and Climate Smart Communities Update**

Nyack is eligible for \$155,000 in grants for clean energy projects in the Clean Energy Communities program, having reached 5,000 points and the first tier (5 EV registered) in the Drive Electric Nyack campaign. Grant projects will bring additional points when completed, making the Village eligible for more grants once we achieve the next point levels.

Marcy to submit an application for bronze level certification in the Climate Smart Communities program by Jan. 5.

### **II. Nyack 2030 Climate Action Fair**

#### **Outreach**

Newletter-style announcement to be sent to all addresses in 10960. More outreach is planned through print and online media.

#### **Presenters**

The committee reviewed and developed the tentative list of about 30 presenters, including committee members on the [planning document](#).

#### **Materials and Equipment**

Presenters can use trifold presentation boards, laptops, handouts, visual aids.  
Marcy and Steve to confirm what is needed and arrange a layout.

### **III. Next meeting**

January 23, 2024
