Members in attendance:

Meeting started at 7pm via Teams call.

Points of Discussion:

1 –Adding an additional Kayak rack. Jim to attend the Village Board Meeting March 9th, to give their ok to proceed.. BOCES to build it again

2 – Memorial bench donation – Should all donated benches in the park (and tables) be consistent in design and materials used. How is the upkeep of the benches paid for?

3 – Marina Lights and Bridge lights are in- when will they be installed?

4 – Pending an update from Andy on when the Playground/Park revisions will be done.

5 – Loud music constantly playing in Memorial Park – also the noise and traffic issues in the marina/lot. Town ordinances for noise -should we ask OPD to meet with us. Can the village partner with the town to review the traffic issues, since Orangetown has a Traffic committee.

Meeting adjourned 7:40 pm
