

NYACK TREE COMMITTEE MEETING AGENDA

SEPTEMBER 19, 2022

Attendance - Marcy, Steve, Jenn, Emily, Ed, Kathleen (in person)

Fall tree planting

- 26 trees have been ordered.
- 5 elm for Artopee Way, bnb, to be planted by the DPW.
- 2 hop Hornbeams to replace one of the tupilos.
- Planting will be smaller than usual, date TBD.

Tree planting celebration

- Steve to reach out to Mayor about speaker. Photo op, coffee, cake. Connect with the Rotary.

Tree guards - for deer protection.

-- Kathleen will order them and install ones already made along 5th Ave.

Watering tank

- applying for credit application in process.

Watering for next year

-- determine in the spring what needs extra attention.

Codes

-- Jenn will lead this effort on code review and recommendation. We need to review where we were 3 years ago. Familiarize ourselves with the problems with what we have and what we're trying to solve. Put it together for Nov/Dec discussion with Building and Planning representatives

NicePak/American Forests Projec

The company decided not to do another project in Nyack next year.

City Forest Certification - Our final submission was approved and the project is posted on the City Forest website.

-- Steve sent the invoice to Becky and Jen. \$5,300 final payment. City Forest had \$4k invoice

Outreach to Rotary and other Tree Project Supporters

Marcy will send an announcement about the fall event and authorize Steve on Tree Project gmail acct to follow up.
